***Continued Prosecution Application***

**DETAILED ACTION**

***Allowable Subject Matter***

Claims 1-13 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose and/or make obvious a journal turning lathe having first and second clamping rings that are in concentric alignment at spaced apart locations by a plurality of guide shafts, a clamshell assembly slidingly supported on the guide shafts and a drive assembly for imparting controlled translation movement of the clamshell assembly; the drive assembly including at least two circumferentially spaced lead screws where each lead screw has a traveling nut thereon engaging the clamshell assembly at diametrically disposed locations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure..
